The Tech

VOL. XXIV. No. 74. BOSTON, MASS., FRIDAY, APRIL 21, 1905 PRICE THREE CENTS.

ANNUAL OUT THURSDAY.

Technique 1906 Rush at Noon, Back of Art Museum.

The current volume of *Technique*, Volume XX, will be issued April 27, at 12 o'clock, in the lot back of the Art Museum. The first twenty-five books will have Dr. Pritchett's signature and will be numbered in gilt on the cover. The men getting numbers one to five inclusive will be refunded the price of their tickets.

The book has left the printer's hands and is now being bound. It has been found possible to add sixty more pages without making the book unwieldy. Fifteen of the twenty-four forms are in two-color work, a much larger proportion of color than has been used before. There will also be six three-color plates.

SHOW NEARLY COMPLETED.

Owing to the illness of Miss Ryan, Mr. James Francis, who has been assisting in putting on "The Chemical Maid," will remain with the Show until its production. Mr. Francis has introduced many new features, and has rounded off the rough spots, so that the production is now assuming its final shape. An all-day rehearsal was held at the Gym on April 19. All the songs and dances of both acts were rehearsed and the progress made was very satisfactory.

Photographs were taken last Sunday, and the same will be on exhibition somewhere in town during the week. Postals have been sent to all applicants for seats. The management announces that the house has been sold out for both Boston performances, and that all seats must be called for before Monday, April 24. Seats for the Malden performance should be ordered at once, as the indications are all for a crowded house on Saturday night.

The musical score will be ready on Thursday afternoon at the theatre, before the performance.

1907 TECHNIQUE ELECTIONS.

At a meeting of the *1907 Technique* Board held last Monday, A. H. Donnewald was elected Editor-in-Chief and M. McLeod Business Manager. L.T. Walker was elected Secretary. As soon as the final arrangements for the Art competition have been completed they will be made known. The conditions will in all probability be very much the same as in previous years, and the competition will close about the middle of May.

WHO WILL WIN?

An Exciting Contest Between the Classes Expected at Spring Meet. Recent Class Baseball Games.

The Annual Spring Meet will be held at Technology Field in Brookline, on Saturday afternoon, April 22, beginning at 2 o'clock. Great interest has been shown in the event this year and it promises to be the best inter-class track meet ever held at the Institute. A large number of men have been out every afternoon under Trainer Mahan, and some very fast races are expected.

At this time it is hard to pick the men who will do the best, but some idea may be gained by watching the daily practice. In the 100-yard dash the favorites at present are M. T. Lightner, '06, Williams '06, Richards, '07, and Todd, '08. In the 220 and 440-yard dashes good work is expected from Turiver, '05, Lightner, '06, Williams, '06, Howe, '06, Gould, '07, Thomas, '07, and Blackburn, '08. In the hurdles the Sophomores will probably fight it out amongst themselves, as Albro, Eaton and Noyes can all make good time. The two-mile race should be very good. Lorenz, '05, will have some worthy opponents in Howard, '06, Clapp, '06, and Calloway, '08.

Of course there are many more men who have not competed here at the Institute before who may be expected to show up well.

The Spring Meet will decide the Class Championship. The present standing of the Classes is: 1905, 20 points; 1906, 11 points; 1907, 30 points; 1908, 5 points. President Pritchett and members of Faculty are expected. Freshmen will march behind their band to the field. A score board will be erected on the field and the score will be kept as points are made.

Among those who will be invited to act as officials will be: Dean Burton as custodian of prizes, Bursar Rand as scorer, Professors Derr and Fey as timers, W. W. Coe, champion shot putter, Thatcher, '07, the inter-collegiate middle-weight wrestling champion, John DeWitte of Princeton, W. Jackson of Dartmouth, and several old Tech stars.

The Sophomore Baseball Team defeated the Watertown High School Team in an interesting game at Watertown, Wednesday morning. Both teams played a good game, and had it not been for the sun in the outfielders' eyes, the game would have been errorless. For the first five innings the score was one to one. In the sixth Watertown scored two runs, and in the ninth the Sophomores won by a great batting rally, which netted them five runs. The final score was 6 to 3. The line up:

Batteries: Hall and Fuller; Siebert and Coon.

The Freshman Baseball Team defeated the Winchester High Baseball Team by a score of 8 to 3 at Winchester, Wednesday afternoon. The '08 team took the lead in the first inning and held it throughout the game. The pitching of Pritchard for '08 was very good as he struck out nine men in five innings and did not allow any hits.

M. E. SOCIETY EXCURSION.

The Mechanical Engineering Society excursion to the Fore River Works yesterday afternoon was enjoyed by all the members of the society who went. The works, being as they are, one of the largest of the sort in this part of the country, furnish an opportunity to see the practical side of ship construction.

PROGRAM FOR JUNIOR WEEK.

The order of exercises for Junior Week is as follows: Wednesday evening, April 26, Musical Clubs Concert; Thursday and Friday afternoons, Tech Show at Hollis Street Theatre; Thursday evening, April 27, Junior Prom at Hotel Somerset; Saturday, 10 A.M., TECH vs. *Technique* baseball game at Technology Field.

CALENDAR.

FRIDAY, APRIL 21.

6.30 P.M. Civic Club Dinner. Tech Union.

SATURDAY, APRIL 22.

12.00 M. '08 Baseball Team meets on Rogers Steps.

2.00 P.M. Show Rehearsal at Tech Union. Principals, Chorus and Ballet.

2.00 P.M. Annual Spring Meet. Technology Field.

NOTICES.

Dr. Dewey will make no appointments for interviews with the Scholarship Committee until after May 1.

The musical clubs will give their annual concert and dance on Wednesday, April 26, at the New Century Building, 177 Huntington Avenue. This event is one of the attractions of Junior week and will undoubtedly be a great success.

The annual meeting of the American Electro-chemical Society, is to be held in Boston, April 25, to April 27. Several of the sessions are to be held in the Institute buildings. Many interesting addresses by leading authorities will be given.

ATHLETICS.

A game between Courses VI and II is being arranged.

Both of the baseball games scheduled for Monday afternoon were postponed on account of the cold weather.

The Junior Baseball Team did not play their game scheduled for Wednesday afternoon with the Boston Y. M. C. U.

The Sophomore Baseball Team will play Waltham High this afternoon instead of to-morrow afternoon as announced.

The Freshman Baseball Team will play Lowell Saturday afternoon. All members of baseball team meet on Rogers steps at 12 o'clock noon.

Captain Weinz of the Freshmen Baseball team, wishes to urge more men to come out and try for the team. It is particularly weak in the battery, and some good pitchers are sorely needed.

CONNECTICUT CLUB.

The Connecticut Club held a very pleasant smoker at the Union last evening. The meeting was well attended. The first part of the evening was occupied with a business meeting and was followed by a smoke talk.

The Tech

Published every Monday, Wednesday and Friday during the college year (from September to June), by students of the Massachusetts Institute of Technology.

Entered as second-class matter October 6, 1904, at the post office at Boston, Mass., under the Act of Congress of March 3, 1879.

Spinoza is very busy.

Bring Your Megaphone.

The Annual Spring Meet will be held at Technology Field tomorrow afternoon, and it is up to every loyal Tech man to come out and cheer his Class on to victory. The result looks close, with chances a little in favor of '06. The men have worked hard and deserve a lot of credit. Give your Class your hearty support and make the attendance at Technology Field a record breaker.

The next number of THE TECH will contain an advance review of the current volume of *Technique* by Mr. Seaver of the English Department.

CIVILS ELECT OFFICERS.

The Civil Engineering Society held its annual election of officers at the meeting yesterday afternoon. The Society was addressed by Mr. R. K. Porter, who gave a most entertaining and instructive talk on "Tunnelling Through Quicksand."

The results of the elections were as follows: President, R. R. Patch, '06; Vice-President, N. P. Gerhard, '06; Secretary, H. B. Hastings, '07; Treasurer, R. C. Albro, '07; Executive Committee, H. B. Orcutt, '06; J. P. McClintock, '06; W. H. Lincoln, '06; H. B. Alvord, '07. Program Committee, H.M. Nabstedt,'05; C. T. Bartlett, '06; L. G. Blodgett, '06; L. Allen, '07.

BAND WILL BE OUT.

The Freshman band will be present at the Inter-class Spring Games, and judging from its performance at the Interscholastic Drill, it is in a good condition to render an agreeable program.

SUMMER SCHOOL OF METALLURGY.

The Summer School of Metallurgy of 1905 is about to be organized. It is to leave Boston on Wednesday, June 7. The program under consideration is to visit a lead, a copper and a zinc plant in the neighborhood of New York City; a copper and an iron and steel plant near Baltimore; and to spend two weeks in and about Pittsburg visiting metallurgical works and one or two mines.

The expense, as nearly as can be estimated at this time, is $85.00.

1904 DINNER.

There were forty-one men present at the 1904 Class Dinner held at the Tech Union Monday evening, April 17. The dinner was a great success as was well shown by the enthusiasm of all those present. M. L. Emerson acted as toastmaster. M. H. Schwartz gave a talk on the development in the Technology Fund, and E. O. Hiller also made a few general remarks. Bernard Blum spoke of the plans that were being made by the Alumni Celebration Committee for Commencement, which Committee will have charge of Tech Night at the "Pops." A committee of three was chosen to take charge of the annual meeting of the Class on June 6, 1905.

TALK ON AUTOMOBILES.

Mr. F. E. Stanley of the Stanley Motor Carriage Co., will address the Mechanical Engineering Society on Tuesday evening, April 25, at Tech Union. Among other topics he will discuss the comparative cost of fuel for steam and gasoline automobiles, will give results of tests performed by him on vaporizing kerosene and alcohol for use as fuel, and will describe his racing machine.
